MINE RESOURCE GROUP

AUTHORIZED KAFKA DEALER
Indiana and Kentucky

Kafka Conveyors & Equipment.

Backed by people who know your plant.

MRG is the authorized Kafka dealer for Indiana and Kentucky. We start by understanding how your plant runs, then recommend what makes sense, even when the best answer is no change.

WHAT WE SUPPLY

- Radial stacking conveyors
- Portable and stationary conveyors
- Plant structures
- Portable screens & crushers
- Conveyor components
- Screen media
- OEM and aftermarket parts, any brand
- MRG-branded and Maverick lubricants

HOW WE HELP

- Plant flow analysis (Aggflow)
- Equipment reconfiguration
- Wear-parts selection
- CAD services
- Operator training
- 24/7 emergency parts response

BUILT FOR

Aggregate quarries | Sand and gravel | Contract crushing
Asphalt and concrete recycling | Mineral processing

Lubricants, no minimum order.
Packaged from single grease tubes to 55-gal drums and totes.
Fast-moving items stocked locally; otherwise ships same day, with delivery in 1-2 business days.

Talk to us about your plant.

20+ years engineering, designing and selling plant systems.
